I have examined the above Statement of Assets and Liabilities of the Province of Ontario as at March 31, 1971, the Statements of Revenue and Expenditure for the year ended on that date and other related statements, and have compared them with the books of account and financial records. I have obtained all the information and explanations I have required.

Subject to the qualifications in my report of even date to the Legislative Assembly, in my opinion and according to the best of my information and the explanations given to me and as shown by the books of the Province, these financial statements are properly drawn up in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year so as to present fairly the financial position of the Province as at March 31, 1971, and the results of its operations for the year then ended.

**NOTES TO THE STATEMENT OF ASSETS AND LIABILITIES
AND THE
FINANCIAL STATEMENTS OF THE CONSOLIDATED REVENUE FUND**

1. BASIS OF REPORTING

The Statement of Assets and Liabilities and the Statements of the Consolidated Revenue Fund reflect the "cash flow" principle of accounting used by the Province of Ontario in which transactions are recorded as cash flows in and out of the Consolidated Revenue Fund. As the name implies, it is through this fund that Provincial money must pass in accordance with the annual budget approved by the Legislature whose duty it is to report to the public on the sources and disposition of the revenues which it receives.

With respect to the financial operations of provincial crown corporations, agencies, boards and commissions, the financial statements of the Consolidated Revenue Fund reflect (i) the year-end position of the advances to or the investments in these entities made from the Consolidated Revenue Fund and (ii) the extent to which their operations have been financed from or have contributed to the Fund for the year.

Separate financial statements are available for each of these provincially controlled operations. The following is a list of the major entities involved: Housing Corporation Limited; The Hydro-Electric Power Commission of Ontario; Liquor Control Board of Ontario; Ontario Development Corporation; The Ontario Education Capital Aid Corporation; Ontario Hospital Services Commission; Ontario Housing Corporation; The Ontario Junior Farmer Establishment Loan Corporation; The Ontario Municipal Improvement Corporation; Ontario Northland Transportation Commission; Ontario Student Housing Corporation; The Ontario Universities Capital Aid Corporation; Ontario Water Resources Commission; Workmen's Compensation Board.

2. FIXED ASSETS (Page 6)

Part of government's role is to provide facilities which have lasting value, such as roads, buildings, and other public works. Such expenditures on fixed assets do not produce income in the same way as is expected of expenditures on fixed assets of a business. Nor can it be said that expenditures on a new road, for example, will benefit future tax payers in a way which is significantly different from expenditures on education or the prevention of forest fires. Accordingly, provincial expenditures on fixed assets are treated as non-recoverable expenditures of each fiscal year and are carried at the nominal value of \$1.

3. CONSOLIDATED REVENUE FUND

The transactions of the Fund are presented in summary form, analysed according to the three distinct areas of government activity:

"budgetary transactions", which relate to operational activities;

"non-budgetary transactions", which relate to the lending, investment and trust administration function; and

"debt transactions", which relate to long-term borrowing and repayment.

AUDITOR'S REPORT

I have audited the Public Service Superannuation Fund and examined the attached Statement of Fund for the fiscal year ended March 31, 1971. My examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as I considered necessary in the circumstances.

In my opinion this financial statement presents fairly the financial position of the Fund as at March 31, 1971 and the results of its operations for the year then ended, in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

AUDITOR'S REPORT TO THE SHAREHOLDERS

I have examined the balance sheet of Housing Corporation Limited, as at March 31, 1971 and statements of revenue and expenditure and earned surplus for the year ended on that date. My examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as I considered necessary in the circumstances.

In my opinion, these financial statements present fairly the financial position of the company as at March 31, 1971 and the results of its operations for the year then ended, in accordance with generally accepted accounting principles which, except for a change from a cash to an accrual basis of accounting, have been applied on a basis consistent with that of the preceding year.

NOTE: The operating expenses of the Ontario Development Corporation (excluding interest on advances from the Treasurer of Ontario, bad debts and miscellaneous expenses) have been paid out of moneys appropriated by the Legislature for the purposes of the Ontario Development Corporation in accordance with Section 18 of The Ontario Development Corporation Act, and to the extent of \$196,000 from funds approved by Treasury Board Order since actual expenditures exceeded the original voted appropriation by this amount. These operating expenses include expenditures of the Northern Ontario Development Corporation for the fiscal year 1970-71 paid in accordance with Section 9 of The Northern Ontario Development Corporation Act, 1970.

The forgiveness of performance loans for certain industrial undertakings in areas designated as Equalization of Industrial Opportunity areas has been paid to the Corporation out of moneys appropriated by the Legislature for that purpose and the Corporation has in turn paid an equivalent amount to the Treasurer of Ontario to reduce the advances made under the forgivable performance loan program.
